VISION
A safe and healthy working environment for all

We are IOHA, representatives of the global community of occupational hygienists.

We are IOHA, dedicated to the discipline and application of the inherent principles of occupational hygiene.

MISSION
Enhance the international network of occupational hygiene associations that promotes, develops and improves occupational hygiene worldwide, providing a safe and healthy working environment for all.

The infographic features a world map with red dots indicating member locations. It includes the IOHA logo, a vision statement, a mission statement, and two explanatory text boxes. At the bottom, there is a graphic of stylized human figures in various colors.
